CMP Custom Miscellaneous Prompts

An Introduction for Dealers

Brief Product Summary

Your marketing department has asked your sales department to capture more information in deals and quotes. When you are out of space, the application to turn to is CMP. Similar to the Miscellaneous Prompt screen in F&I deals and Sales Management quotes, you open a window and are prompted to fill in the blanks.

The answers to the prompts save with the same reference number as the deal or quote. You can modify your F&I forms to include this information.

Requirements

Below are the required elements of the CMP:

- ✓ Finance and Insurance must be installed to use CMP from a deal.
- ✓ Sales Management must be installed to use CMP from Work a Quote.

System Features

- ✓ Includes a setup module that allows you to define your prompts
- ✓ Prompts can be formatted you can change the ADP standard "all uppercase" text to mixed case or lower case.
- ✓ CMP is accessible from inside a deal, and if sales management is installed, from a quote.
- ✓ Add as many miscellaneous prompts as you need!
- ✓ Print prompt responses on F&I forms using standard forms building tools.

Training

Dealers who purchase the Custom Miscellaneous Prompts application from ADP will receive installation, configuration, and user documentation. Users normally become comfortable with the software in about 2 hours. This application is an add-on to functions FI and WAQ on your FI accounts. All other FI and WAQ features and functionality remain the same.
