OIL CHANGE STICKERS FOR QUICK RO

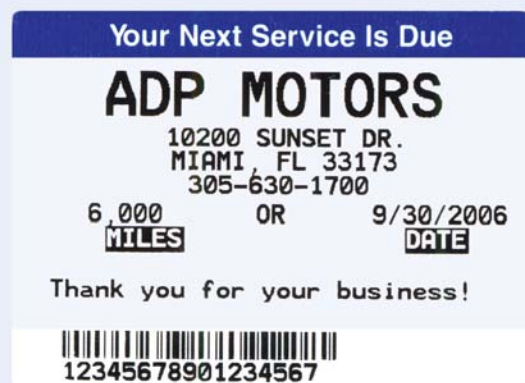

Print Oil Change Window Sticker Reminders with ADP's Thermal Printer and Quick Repair Order

Consider the benefits:

- Automatically print window sticker reminders as soon as the Quick Repair Order is generated
- Easy to read labels remind your customers of their next service due date and mileage interval
- Customizable printing allows you to print specific dealer information and messages to your clients
- Label boldly displays "Your Next Service Is Due" at the top of each label
- Bar-coded VIN allows you to easily scan the VIN for increased speed and accuracy
- Quick Repair Order allows you to customize reminder mileage intervals by make of vehicle
- Initial set of labels and ribbon are FREE with printer order
- Printer requires an ADP port and serial connectivity
- Easily re-order stickers through Dealer Office Xpress (DOX) toll free at 800-ADP-ADP-ADP (800-237-2372) or send an email to DOXInfo@adp.com
- Window sticker reminders work only with Quick Repair Order.
