BANK RECONCILIATION UPLOAD

Quick and Easy Bank Reconciliation

How much time does your staff spend on reconciling the bank statement?

Bank Reconciliation Upload is THE solution to efficiently reconcile your bank statement to your ADP system.

- Upload your electronic bank statement from the internet into the ADP system
- Automatically reconcile matching checks and deposits
- Quickly reconcile bank fees
- Reconcile as many bank accounts as needed
- Post adjustments to the GL directly from within reconciliation
- Complete reporting tools
- Supports Quicken and MS Money formats

To find out more about Bank Reconciliation Upload, call us at 305-630-1700 or visit us at www.carink.com
